MEMORANDUM FOR: Director of Central Intelligence  
FROM: Director, Office of Legislative Liaison  
SUBJECT: Weekly Report

ITEMS OF INTEREST

1. Intelligence Authorization Bill

The conferees completed negotiations on Thursday, 7 November. A full text of the bill and the report will probably not be available until November 12 or 13. Consideration of the Conference Report by House and Senate may be late next week.

2. Stevens-Roth Retirement Bill

Passed the Senate easily. Senator Eagleton submitted an amendment concerning CIARDS as did Senator Durenberger. Both passed but we do not have details as of now. This is a large and complicated piece of legislation which was amended nine times before passage. It will be necessary to carefully analyze the results.

3. All other matters are contained in the attachment.
